2002

CIMIC GROUP SOUTH

NATO decided to create a specialized unit solely responsible for civil-military cooperation. Italy took in the demand for this specialized unit and promoted, as framework Nation, the creation of the "CIMIC Group South" (CGS) in Motta di Livenza - Italy.

2003

FIRST MISSION

CIMIC Group South was deployed in Iraq.

2004

MoU

In 2004 the MoU (Memorandum of Understanding) was signed by the representatives of the four Participating Nations:
Greece, Hungary, Italy, Portugal, in the presence of a representative of SHAPE (Supreme Headquarters Allied Powers Europe).

2005

NATO ASSIGNED FORCE

In 2005 CGS was a NATO - assigned Force to SACEUR (Supreme Allied Commander Europe) and subjected to Tactical Evaluation by JFC (Joint Force Command) Naples.

2006

FULL OPERATIONAL CAPABILITY

MNCG HQ reached the FOC.
-
Since 2006 CIMIC Operators deployed in Afghanistan and Lebanon.
-
Romania signed the letter of intent.

2007

KOSOVO

Since 2006 CIMIC Operators deployed in Kosovo.

2009

"MULTINATIONAL CIMIC GROUP"

In 2009 the "CIMIC Group South" denomination was changed into "Multinational CIMIC Group".
This modification was approved by the Participating Nations, and reflected in the new Memorandum of Understanding, signed by SHAPE and by National Military Representatives of Greece, Hungary, Italy, Portugal and Romania.

2010

"STRADE SICURE"

Since 2010 CIMIC Operators deployed in "Strade Sicure" Operation.

2012

SHAPE

In March 2012 the MNCG was officially affiliated to SHAPE.
-
In the same year the Combat Readiness Evaluation (CREVAL) was successfully completed by the MNCG.

2014
